A T S E A

**Stand** on the shore, feet sinking in sand as the water laps at your feet. These waters are the home of the rarest species of seahorse on earth, the Knysna/Cape Seahorse. We welcome you to Kambaku @Sea.

Before you, the mountains. Behind you, the forest. On this expanse of forty hectares, our boutique hotel waits to envelop you in the beauty of this rich, natural environment.

Here, you are part of our family. Our dedicated team cannot wait to meet you – to make your experience one of self-renewal and reinvigoration. Wake up to the scent and sound of an untouched habitat.

Wildlife like bushbuck, honey badgers, otters and tortoises call this place home, and we cannot wait to share it with you.

Kambaku @Sea is designed to showcase a mountainous panorama of lush vegetation

that transforms with the passing of sunrises and sunsets. It's a picture that will stay with you forever.

Head out for a sunset cruise or paddle out onto the crystalline waters of the estuary on a kayak. Shop for trinkets in the curio shop or escape into the pages of a book beside a comforting fireplace.

This is our brand of luxury.

### ABOUT US
